2. Introduction

This directory is your guide to Toastmasters clubs serving District 30 in the counties of Cook, Lake, DuPage and McHenry in Illinois. It has three main purposes:

- To help members who wish to visit other clubs when they travel.
- To make it easier to initiate and build inter-club communications and events.
- To allow prospective members to locate a convenient club to join.

This Directory contains the club names, meeting times and locations, and the officers of each club in the district. The information contained is as accurate as possible. However, Toastmasters is growing and many new clubs are chartered each year. Additionally, some clubs may have changed their officers, meeting time, and/or location since this directory was compiled and published. If you encounter any difficulty in locating a particular club, or wish to correct an error in the directory, please contact Mike Raffety.

Toastmasters International

Thanks to all district and club officers for providing their information! Any errors are the responsibility of the editor; however, corrections are appreciated.

Membership Information Restrictions

The information in this directory is provided for use in conjunction with official Toastmasters educational activities and for administrative purposes. Any personal or commercial use is strictly prohibited. No members may make mailing lists available to any business or other organization.

3. Mission Statements

The Mission of the Club

The mission of a Toastmasters Club is to provide a mutually supportive and positive learning environment in which every member has the opportunity to develop communication and leadership skills, which in turn foster self-confidence and personal growth.

The Mission of the District

The mission of the District is to enhance the performance and extend the network of Clubs, thereby offering greater numbers of people the opportunity to benefit from the Toastmasters educational program by:

- Focusing on the critical success factors as specified by the District educational and membership goals.
- Insuring that each Club effectively fulfills its responsibilities to its members.
- Providing effective training and leadership development opportunities for Club and District officers.

The Mission of Toastmasters International

Toastmasters International is the leading movement devoted to making effective communication a worldwide reality.

Through its member Clubs, Toastmasters International helps men and women learn the arts of speaking, listening, and thinking — vital skills that promote self actualization, enhance leadership potential, foster human understanding, and contribute to the betterment of mankind.

It is basic to this mission that Toastmasters International continually expand its worldwide network of Clubs, thereby offering ever greater numbers of people the opportunity to benefit from its programs.

4. District 30 History

Written by Dick Storer, ATM (District Governor, 1971-72; International Director, 1975-77)

The state of Illinois was the place where the Toastmaster concept originated. Not only was it the home of our founder, Ralph Smedley, it was also the home of the very first Toastmaster Clubs.

As Educational Director of the Bloomington YMCA, Ralph Smedley recognized that the young men in his community needed to learn how to talk, to conduct meetings, to plan programs, and how to work on committees. To meet this need he devised the idea of a social club, meeting weekly, with programs devoted to practice short speeches, debates, and some work in chairmanship. Thus was born the very first Toastmaster Club in Bloomington, Illinois, on March 24, 1905.

In 1906, Dr. Smedley was transferred to the Freeport YMCA. At the time, the idea of adult education was beginning to gain recognition, and it was just one year later in 1907 that he organized the first Toastmaster Club for adult men in the city of Freeport. Shortly thereafter he was transferred to Rock Island and a third club was organized there.

Unfortunately, however, his successors did not share his enthusiasm for the Toastmaster program and all three clubs died shortly after their founder had moved on. The idea, however, did not die but was put on the back burner for a short while. In 1922, Dr. Smedley was again transferred, this time to Santa Ana, California; and it was here in 1924 that what is now known as “Founder’s Club” was organized – the “official” beginning of our great organization.

Some 12 years after the founding of Toastmasters, the first Toastmasters Club in the state of Illinois received its charter in March 1936. That was the Lincoln-Douglas Club #51 in Springfield. At that time, the area comprising all of Illinois and the eastern half of the state of Missouri was known as District 8. Nearly two years later the first club located in what is now known as “Chicagoland District 30” received its charter as Central Club #96.

Central #96 enjoyed a long life for over 40 years before finally succumbing to membership problems. The second oldest club chartered in Chicagoland was Club #169. Chartered in June of 1940, the Wilson Ave. Club was the home club for many men whose names are well known as leaders among Toastmasters. Over the years its name and meeting location have changed a couple of times, but the same Club #169 is still going strong and is currently known as Kemper-Countryside Club #169, meeting in Long Grove.

For quite a few years, District 8 chose its officers alternately from the Chicago and St. Louis metropolitan areas. Then, in 1949, Russell V. Puzey of the Wilson Ave. Club was elected Governor of District 8. Russ was a man of great vision and plans. It was he who dared to initiate the expansion of the District hierarchy to include two Lieutenant Governors – which was hitherto unknown in Toastmasters International. Emmet Holmes of Chicago was one of the first Lt. Governors; Bill Buekema of St. Louis was the other.

Russ and Emmet worked on a plan for establishing a new District in Illinois, bounded on the south by an east-west line across the state just below Danville in Vermilion County

and extending westward just north of Decatur, Springfield, and Quincy, but including Champaign and Urbana. In 1950 their efforts were rewarded and District 30 was “born” — not the District 30 that we know today, but one which covered the entire northern half of the state of Illinois. Emmit Holmes was elected as our first District Governor.

Both Russ Puzey and Emmit Holmes went on to serve on the International Board of Directors in later years. And Russ was elected International President at the Denver Convention in 1953.

The first District 30 Spring Conference was held just prior to our first birthday. At that time there were just 25 clubs in the district and two more were about to receive their charters. Both Russ and Emmit were true believers in Dr. Smedley’s “movement”, and it was no doubt the influence of their evangelistic philosophy that District 30 grew from 25 clubs in 1951 to 75 in 1956.

Almost two-thirds of those 75 clubs were located in the four counties of Cook, Lake, McHenry, and DuPage. Members from Danville, Peoria, and Galesburg had long distances to travel in order to attend District 30 meetings – which almost always were held in Cook County. But ... they came!

Conscious of the hardship, District Governor John Franczak and Lt. Governor Bob Foley decided in 1956 to do something to alleviate the problem. Lt. Governor Foley began a series of visits, over a period of seven months, to the outlying clubs of District 30 – those clubs outside of the four-county metropolitan area. Twenty-seven clubs were persuaded to petition for formation of a new district. And, at the 1956 International Convention in Detroit, the Board of Directors voted favorably and District 54 was formed.

District 30 retained the four county area of Cook, Lake, McHenry, and DuPage, while the balance of what used to be District 30 (the northern half of Illinois) was transferred to the new District 54. Bob Foley was elected as the first District Governor of District 54 (and later became District Governor of D-30 in 1960-61). The first District Governor of the new Chicagoland District was George Van Zevern.

Since our beginning back in 1950, District 30 has had many fine leaders and success stories – all too numerous to mention here. But ... in the years to come we look forward to even greater success. Will you help us?

16. Clubs by Name

The primary source of the data below is from the Toastmasters International web site and officer reports. Please send any corrections to officers@toastmasters.org; any updates there will feed automatically into the next version of this directory. Note that “Longest-time members” is based on when someone first joined any Toastmasters club, not necessarily a particular club.

[... many clubs omitted to provide just an example here ...]
